### **Lesson Policy Information**

Linda Dias offers instruction for classical violin and fiddle. She encourages each student to explore their unique musical interests and style of learning. Through individualized instruction, Linda creates an effective, compassionate and supportive environment in which to learn.

**Practicing:** As with any new skill, the amount of time students devote greatly impacts the pace of the learning process. It is important to set aside times each week to practice skills covered in prior lessons. At least thirty minutes of practice 3-5 times per week is suggested-daily is optimal. In addition to practice time with the instrument, students may have listening assignments from CD's that accompany instructional books.

**Tuition:** Thirty minute and one hour lessons are available. When scheduling lessons, know that the instructor is setting aside this time slot for you in the teaching schedule. **Unattended lessons will not be refunded**, however, may be rescheduled should an opening become available. Please provide at least 24 hour notice when a lesson must be missed. Should a lesson be cancelled due to inclement weather, the tuition will be discounted from the following month's tuition (up to 3 weather days may be waived each calendar year).

**Monthly tuition is due one the 1st of each month. Payment is required for the entire month regardless of attendance (exception being an allotted weather day.**

**Tuition payments can be made with cash, check (made out to "Linda Dias") or with a credit card on the Cape Cod Violin website: [www.CapeCodViolin.com](http://www.CapeCodViolin.com).**

#### **Private Lesson Tuition:**

30 minute Studio Lesson	\$30/lesson
